

FIVE POINT SHED

PEAK SHACK

The **Five-Point Shed** was inspired by a Yoshitomo Nara exhibition which featured a ramshackle shack sanctuary where the artist loses himself in music and his work. The Five-Point Shed has a pentagonal roof structure: it's essentially a visual vibe. Dimension: 1.8m x 2.4m. The Five-Point comes in five finishes: timber-cladding (soft and hardwood), tin, ultra-durable plywood, cork and lattice.

Cork
Super-Ply
Lattice
Tin
Timber

Cork

A modern spin on a vintage material, this version is finished using natural and renewable cork.

Price £4855

(Exclusive of VAT)

Super-Ply

It looks simple but this shed is made of ultra-durable plywood for outdoor use modified by an innovative treatment. A shed hero.

Price £4785

(Exclusive of VAT)

Lattice

Batten-bamboo detailing gives this shed a distinctive aura.

Price £4870

(Exclusive of VAT)

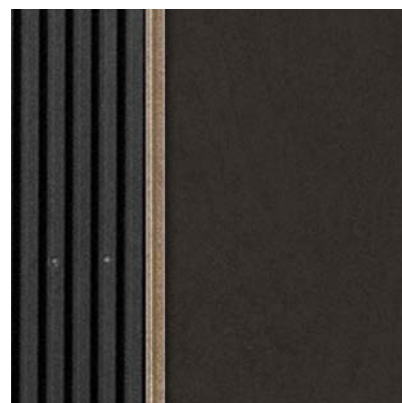

Tin

This corrugated confection is made out of powder-coated cladding sheets (in a range of colours) for a metal moment.

Price | **£4580**

(Exclusive of VAT)

Timber

Coming in a thermo pine soft or thermo hardwood knot-free cladding, this shed is an instant Shack-classic.

Price £5920 (AyouS) £5100 (Pine)

(Exclusive of VAT)
